International Society of Automation
Setting the Standard for Automation™

Copyright Permission Form

Thank you for agreeing to share your knowledge, experience, and professional insights by contributing content to ISA or one of its subsidiaries or affiliates (i.e., Automation.com, ISCI, ISAGCA) in the form of an article, blog post, white paper, webinar, conference session, or other format.

Your involvement helps ISA fulfill its mission of advancing technical competence by connecting the automation community to achieve operation excellent.

You confirm the following:

(a) You are the original author(s) of the content submitted or you have express permission from the original author(s) to publish/present it under your name;
(b) If the content is previously published/presented elsewhere, you have express permission to republish/present with ISA;
(c) The content does not include materials, including images, owned by third parties or you have written permission to republish/present it with ISA;
(d) The content does not contain confidential information or trade secrets.

You, as the author(s), retain copyright ownership of your content.

By signing this form, you are giving ISA, its subsidiaries, and affiliates permission to publish the content specified below and all subsequent editions, revisions, versions, derivative works, translations, ancillaries, adaptations, supplementary materials, and custom editions; all languages; all formats and media now known or hereafter developed; worldwide distribution in perpetuity, in one or more formats, with proper recognition to the author(s) and to distribute the content to its audience in support of ISA's mission. This content may be available free of charge or at a cost to the audience.

If necessary, ISA will work with the author(s) to edit the content appropriately for the specific format(s) prior to publication.

Please select the box(es) below indicating your permission for ISA to publish/distribute your content in these formats. Refer to the Addendum for format descriptions and uses.

Copyright Permission Format Descriptions and Uses

Article

A submitted long or short form article is published as a column or feature on one of our websites, in an ebook or print publications. Any images, charts, and graphs will be published along with article text, with corresponding captions and credits, if appropriate. If significant edits are made to the article, ISA will review the suggested edits with the authors(s) prior to publication. Articles may be distributed via enewsletters to appropriate ISA, ISA subsidiary, or ISA affiliate subscription lists.

- InTech submission guidelines

Blog Post

A submitted short form article is published as a blog post on one of our websites. Any images, charts, and graphs will be published along with article text, with corresponding captions and credits, if appropriate. If significant edits are made to the article, ISA will review suggested edits with the authors(s) prior to publication. Blog posts may be distributed via enewsletters to appropriate ISA, ISA subsidiary, or ISA affiliate subscription lists.

- ISA Blog Post submission guidelines

White Paper

Submitted material (text, images, charts, and graphs) will be laid out in PDF format, and hosted on ISA, ISA subsidiary, or ISA affiliate website(s) for download. If significant edits are made to the material, ISA will review suggested edits with the authors(s) prior to publication. White Papers may be distributed via enewsletters to appropriate ISA, ISA subsidiary, or ISA affiliate subscription list(s).

Session Recording

Presentations made during a webinar or conference are recorded and made available for on-demand viewing on ISA, ISA subsidiary, or ISA affiliate website(s). If significant edits are made to the recording, ISA will review suggested edits with the presenter(s) prior to publication. Recordings may be distributed via enewsletters to appropriate ISA, ISA subsidiary, or ISA affiliate subscription list(s).

Session Slides

The slides from presentations made during a webinar or conference are made available for download on ISA, ISA subsidiary, or ISA affiliate website(s). If significant edits are made to the slides, ISA will review suggested edits with the presenter(s) prior to publication. Slides may be distributed via enewsletters to appropriate ISA, ISA subsidiary, or ISA affiliate subscription list(s).
